

June 20, 2011

Dear Parents,

Welcome to summer camp! For your convenience a very general outline of our daily activities follows. In addition to the scheduled activities or project there will be many other fun activities going on. We'll be singing, reading stories, enjoying water and sand play, playing sports, going on picnics and just having fun. Please check your schedule daily to see if your child needs to bring anything to camp.

On beach days if it is a cool day we will go to the beach and not go in the water. If it is raining or there is a strong possibility of rain the trip will be cancelled. Moms and Dads we will need your help on beach days. We need at least four volunteers for each trip. Check your schedules and sign up with Sherry. A & B Bus Service will bus us to and from North Ave. Beach.

Tuition for summer camp:

5 days - \$1,000.00
4 days - \$ 865.00
3 days - \$ 730.00
2 days - \$ 555.00

Tuition may be paid in two installments or one full payment.

All campers need to keep a change of clothing, swimsuit and towel at camp. PLEASE, PLEASE, PLEASE CLEARLY LABEL EACH PIECE OF CLOTHING, SWIMSUIT AND TOWEL! Campers will need a bag lunch daily. Lunch boxes are fine if we are not going to the beach. On beach days lunches should be in disposable bags so that we may dispose of everything before making our return trip. Chalkboard will provide a mid-morning snack and beverages for lunch. Keep in mind we are outdoors most of the day during camp and the children are very active and doing a lot of running, therefore, shoes that are difficult to walk in or keep on such as flip flops may not be the best choice. REMEMBER SUNSCREEN!

Meghan will be joining Sherry, Jane, Kerry and Rachel this summer. Meghan attends Eastern Illinois University and is the sister-in-law of a long time family

friend of Sherry. We'll also enjoy having Jimmy, Claire and Elyse spending time with us this summer. All are Chalkboard grads!

Mon. June 20
Tues. June 21

Welcome Campers! Talking about summer safety, exploring the neighborhood, making "happy suns" and sun prints.

Wed. June 22
Thurs. June 23
